**LECTURE AND VISIT TO EXHIBITION AT**  
**THE ASHMOLEAN MUSEUM, OXFORD**

**Saturday 7th September 2019**

**Event organised by Grahame Soffe and Kate Adcock**

**£28 per person**  
**(including entry to the lecture and the exhibition)**

Following ARA's successful visits to special exhibitions at the Ashmolean in 2016 (*Sicilian shipwrecks*) and 2018 (*Imagining the Divine*), we are delighted to invite members to a lecture and visit to the museum's latest exhibition curated by Dr Paul Roberts: *Last Supper in Pompeii*. Many of the objects on display in this exhibition are from Naples and Pompeii and have never before left Italy. Luxurious triclinium furnishings and carbonised food remains among other exhibits will reveal what the Pompeians loved to eat and drink and Pompeii's rich food exports of wine, olive oil and fish-sauce will be explored.

We will meet in the Headley Lecture Theatre in the basement of the Ashmolean Museum at 12:15. There, at 12:30 we will attend an illustrated lecture by Dr Paul Roberts, Sackler Keeper of Antiquities at the Ashmolean Museum, previously of the British Museum, where his exhibition on *Life and Death in Pompeii and Herculaneum* was met with great acclaim. Following the lecture, we will gain entry to the exhibition. The museum closes at 5pm.

Refreshments will be available throughout the day at the Ashmolean Museum's cafe adjacent to the lecture theatre.
